

A scenic mountain landscape with a blue helicopter on a grassy field and a cow grazing in the foreground. The helicopter is a small, single-engine model with its main rotor blades extended. It is parked on a patch of dry grass. To the right of the helicopter, a small black and white cow is grazing. In the background, there are snow-capped mountains under a blue sky with wispy clouds. A dense forest of evergreen trees is visible on the left and right sides of the image. A small wooden cabin is partially visible behind the trees on the right.
